

Planning Tools and Supports

COVID 19 & Your Not-for-Profit
March 25, 2020

I am facilitating this workshop from the unceded territory of the Coast Salish Peoples, including that of the x^wməθkwəy̓əm (Musqueam), Skwxwú7mesh (Squamish), and Səlílwətaʔ (Tsleil-Waututh) Nations.

vantage point is on a mission to...

Transform Not-For-Profit Organizations

VANTAGE POINT convenes, connects and equips not-for profit leaders to lift organizational capacity.

We Deliver High-Impact Learning Opportunities

Canada's COVID-19 Economic Response Plan

BCNPHA

BC Housing Fact Sheet for Homelessness Service Providers

Community Response Fund

Employee Wage Subsidies/Supports and EI

Community Response Fund

Priority to Organizations that:

- Immediate needs of low-income populations caused by COVID-19 related closures, including access to food, hygiene, housing and other basic needs.
- The economic impact of reduced and lost work within the non-profit sector.
- The information needs of among our vulnerable community members to promote resiliency and mitigate fear and confusion.
- Mobilizing our citizens to assist their vulnerable neighbours with the challenges they are facing from isolation.

Leadership and Support

Imagine Canada

Union Gospel Mission

Canada Helps

Vantage Point: Online daily @4pm

Advocacy: Imagine Canada

Employee assistance

- Ensuring that charities and nonprofits are eligible for any further federal measures

Inclusive Language

- Ensuring that communications about such programming continue to refer to employers rather than business sector

Accessible Capital

- Ensuring that sector organizations are able to access low interest or forgivable loans

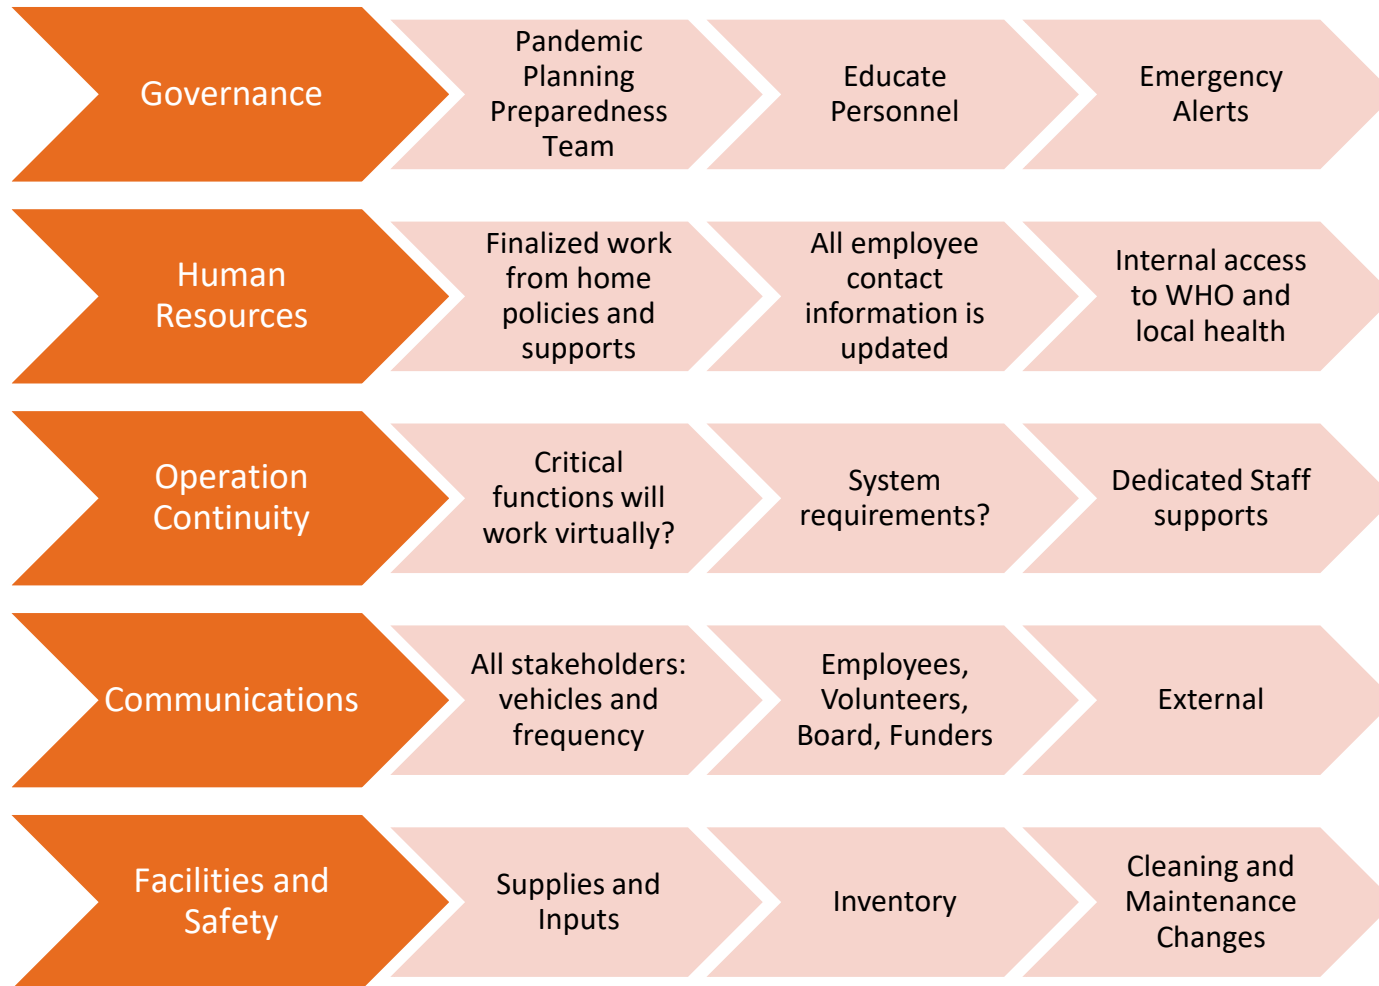

Continued Funding

- All government departments and agencies continue to flow funds through grant and contribution programs with flexibility

Matching donations

- Considering a matching program for charitable donations
